Another year's gone by quickly Seasons greetings from BMW

Dear John,

Seasons Greetings on behalf of everyone at BMW and thank you for your commitment to us over the past 12 months.

2007 has been a great year for BMW (UK) Ltd. We've introduced BMW EfficientDynamics technologies across the BMW range, meaning emissions have been reduced and fuel economy improved. With exciting new models such as the distinctive new BMW 1 Series Coupé, the exhilarating new BMW M3 Coupe and the improved award-winning BMW 5 Series range being introduced.

We look forward to working with you next year.

Seasons greetings,
