

# The new BMW 5 Series Gran Turismo

Dear Jonathan

I am delighted to confirm the BMW 5 Series Gran Turismo will be launched on 24 October 2009.

The new BMW 5 Series Gran Turismo is one of the most innovative designs to originate from BMW, signalling a new and unique vision for the future. Intelligently combining elegance, space, comfort and practicality, the car takes the strengths of the Saloon, Sports Activity Vehicle and Touring body styles to create a vehicle which can adapt to all business and lifestyle requirements.
